

End of Year 3 Expectations – Maths

Working at the expected standard

Objective	What does a good one look like? Record the date when you met the objective.
Compare and order numbers to 1000 and read and write numbers in numerals and words.	
Count from 0 in multiples of 4, 8, 50 and 100.	
Recognise the value of each digit in a 3 digit number.	
Understand and can count in tenths, and find the fractional value of a given set.	
Add and subtract fractions with a common denominator.	
Derive and recall multiplication facts for 3, 4 and 8 X tables.	
Add and subtract mentally combinations of 1-digit and 2-digit numbers.	
Add and subtract numbers with up to 3 digits using formal written methods.	
Write and calculate mathematical statements for multiplication and division using the 2x, 3x, 4x, 5x, 8x and 10x tables.	
Calculate 2-digit x 1-digit.	
Solve one and two step number problems.	
Identify right angles and compare other angles based on whether they are larger or smaller than a right angle.	
Identify horizontal and vertical lines and pairs of perpendicular and parallel lines.	
Tell the time to the nearest minute and use specific vocabulary, including seconds, am and pm.	
Measure, compare, add and subtract using common metric measures.	
Solve one and two step problems using information presented in scaled bar charts, pictograms and tables.
